

For the "ROBOTBRAG-læringsdag" on May 31, 2024, we gather university students from all over Denmark, and introduce you to your future employers, coworkers and innovation partners.

Welcome to the future.

EXCLUSIVE PROGRAM FOR UNIVERSITY STUDENTS

OPENING HOURS OF THE EXHIBITION
09.00-13.30

Alongside the time-specific activities - which you can get an overview of below - you will be able to explore robotic innovation spread over 100 different stands.

- 09.30-13.20 Keynotes by business role models from DTI, NNE and Universal Robots (Auditorium, Pyramid Building)
 - SDU: 9.30-10.40
